

Do you want to help guide the evolution and continued curricular development of Bishop Feehan's Business and Innovation Department using state of the art technology in our new Innovation Center?

Do you want to teach courses in your area of specialty, whether it is engineering, software, coding, robotics, game design and/or application design?

Are you interested in imparting upon high school students the skills necessary to achieve a successful career in emerging and growing technological fields?

If you answered, "Yes," to these questions, please apply for the Computer Science instructor position at Bishop Feehan High School!

We will open our new center in September of 2023, but we are able to hire the right person at any time during the summer of 2022 or after, in order for the candidate to help us create a new curriculum.

The ideal candidate should possess passion for technology, critical thinking /problem solving and a structured approach to collaborative design and communication. The candidate will demonstrate the ability to teach courses and develop curriculum in some or all of the following areas: engineering, software, coding, robotics, game design and/or application design. A Bachelor's degree or significant experience in computer science, engineering, or a related discipline is required. Teaching certification or Masters degree preferred.

Bishop Feehan is a diocesan Catholic high school that pursues excellence in Sanctity, Scholarship, and Sportsmanship. We are a college preparatory exam school with a full enrollment and waiting list. 100% of our students are accepted into college and university. We are also a school of deep school spirit, community, and service. As we do for our students, we have high expectations for our teachers. We support them with numerous professional development offerings at no cost, best in practice PLCs, a generous 403b plan, and aggressive tuition reimbursement for teachers pursuing advanced degrees.

Bishop Feehan High School values and seeks diversity within its school organization. Diversity is the inclusion and acceptance of diverse backgrounds, experiences, and talents that help to ensure that staff reflect those whom they seek to educate.

Candidates should submit a letter of interest and resume to: Mrs. Kimberley Fowler, Administrative Assistant to the Vice Principal of Academics,
