

Be Part of Something Special at St. John the Evangelist School- We're hiring!

Position: Middle School Math Teacher (Grades 5-8)

St. John the Evangelist School is seeking a dedicated and engaging Math Teacher for the 2026-27 academic year. Applicants must hold a Bachelor's Degree, with teacher certification / licensure preferred. Candidates having academic preparation and experience teaching middle school students are encouraged to apply. Candidates should demonstrate dedication to academic excellence, team collaboration, and support of the Catholic School mission.

Job Summary: The ideal candidate will create an engaging and supportive classroom environment where students are challenged to think critically, grow in confidence, and deepen their understanding of mathematics.

Responsibilities include:

- Teaching math curriculum to students in grades 5–8
- Creating engaging, differentiated lesson plans
- Assessing student progress and providing meaningful feedback
- Integrate technology to enhance and differentiate instruction
- Collaborating with faculty and staff to support student success
- Communicating effectively with students and families
- Supporting the mission and values of our Catholic school community

Other functions of the job include but are not limited to the following:

- Foster strong partnerships with families to support student learning
- Participate in professional development and growth opportunities
- Participate in SJE school life through extracurricular activities such as social activities, sports, and student organizations
- Perform other duties as assigned

**Interested candidates should submit a cover letter and resume to:
Kathleen Scanlan-Jones, Principal, via E-mail at kjones@sj-school.com**
