

**St. John  
Paul II School**  
5-12 | Preparatory | Catholic

St. John Paul II School is a Cape Cod Catholic school that welcomes students and families from diverse faiths and backgrounds who desire a college preparatory, Catholic education. The school's academic, artistic, athletic, and co-curricular programs cultivate strong relationships and empower students to recognize their gifts, develop their potential, and communicate Christ in word and deed. Emulating their patron St. John Paul II, students pursue truth through faith and reason, preparing them to lead lives of continuous learning, respect, and community leadership.

St. John Paul II School is hiring a varsity football coach for the 2024 athletic season. The right candidate will see themselves not only as a teacher of the game but also as a role model to our student-athletes and our community. Duties include practice planning, keeping track of uniform and equipment inventory, coach-parent and coach-player communication, assisting team strength and conditioning programs, and following all St. John Paul II School policies and regulations. We are looking for someone eager to build a program at the high school level. Previous high school or collegiate playing and/or coaching experience is preferred but not required.
